

“Harding,
Shymanski’s
expertise and
experience have
made them an
invaluable
partner.”

Kevin Eastridge & Kathy Briscoe

“Harding, Shymanski & Company has been a key business partner for F.C. Tucker Emge Realtors for over 21 years. Their expertise, knowledge, and care for our business have made HSC an invaluable partner. Through significant mergers, HSC has managed the transition from start to finish. HSC helped us consolidate our payroll management, 401K administration, tax planning and financial preparation within one full service accounting firm. As our business has grown, they’ve been there every step of the way.

HSC has encouraged us to use off the shelf products when it makes sense for our business, showing they are focused on what’s best for us as a client, not simply a paying customer. To accommodate our needs, they specifically tailored their accounting software to manage our real estate transactions.

Finally, our partners at HSC are responsive and delightful to work with. With dedicated experts in each area, they are there to answer questions quickly and accurately. We would recommend Harding, Shymanski & Company to anyone looking for a full service accounting firm.”
