

“Harding
Shymanski
& Company
has been a
key asset in
achieving
this growth.”

David Patterson,
President

“When I started working in the family-owned business 40 years ago, Flanders had only seven employees. It was shortly after this time that we hired Harding, Shymanski & Company, P.S.C. Today, we have approximately 650 employees and operate in 5 countries.

Our relationship with HSC has been a key asset in achieving this growth. They have provided innovative ideas in tax strategies, operations, and succession and estate planning. They guided us through our first ISO certification and share the same values as stated in our Vision and Mission statements. HSC serves with a ‘client first’ attitude.”

David Patterson, President
Flanders Electric
