

“Switching to Harding, Shymanski was one of the best decisions I’ve made in my 25 years at Atlas Machine.”

Rich Gimmel,
President

“When we decided to move our business to Harding, Shymanski, it was a leap of faith for us. We were turning responsibility for a critical service over to someone I had only met a few months before. And I have to tell you, it was one of the best decisions I’ve made in my 25 years at Atlas Machine.

Scott Olinger and his team at Harding, Shymanski are hard-working and exemplify the standards of integrity, responsiveness and professionalism that we have established. They also reflect an expertise and passion for our industry – manufacturing – that we haven’t found in other CPAs.

In very real and measurable terms, the value Harding, Shymanski has brought to Atlas has far exceeded the cost – literally by multiples. They quickly found ways to mitigate our tax liability and maximize the efficiency of our internal systems, helping us implement ideas that no outside CPA firm had ever mentioned. The Harding, Shymanski team has truly become business partners with Atlas Machine, and our company is much better for it.”
