

“Harding, Shymanski & Company has earned our loyalty.”

Tricia Burke, President
Kelly Burke, Chairman

“We’ve been business partners for more than 20 years, relying on their professional expertise for much more than just standard accounting services. Their sound advice has helped us take optimal advantage of business opportunities, as well as deal with business challenges. Everyone—from the principals to all the staff—is always very accessible and responsive.

They not only thoroughly understand our business, but we believe they also share our values—the importance of building long-term client relationships and getting involved in our community.

Simply put, when you do business with them, *their* team becomes part of *your* team. They have earned our loyalty and we heartily recommend them!”
