

“Harding Shymanski was very responsive... they were on site the next business day.”

Doug Bawel, President & CEO

“When we needed to change auditing firms, Harding, Shymanski was very responsive. We called on a Friday and they were on site the next business day.

After engaging HSC, they worked with our team to substantially increase the efficiency of our accounting processes which resulted in reducing the turnaround time for year-end financial statements by over 2 months. In addition, they facilitated our Lean Office initiative which resulted in substantial savings to the company.”
