

“We made the right decision when we chose Harding, Shymanski & Company.”

Dan Felker

“One of the things that attracted me to HSC was their knowledge and involvement in the construction industry, and their ability to understand contractors’ problems and offer solutions for both the home office and the field offices due to their network of other accounting firms and experiences with other contractors.

HSC is more than an accounting firm to us; they have in many ways become a partner in helping us to manage ourselves and our projects.”
