“Harding, Shymanski is a great corporate citizen. They support so many organizations in our community. It is important to us to do business with a business that cares about the community.

We have worked with Harding, Shymanski for many years. They are professional and provide outstanding customer service. They work with us to keep us informed of any changes in accounting standards and meet with us well in advance of our audit to ensure we have the time to prepare for the audit. They make the audit process a positive experience.”
